eDispatches should be used as auxiliary notification and is not intended to replace traditional communications systems

Our reliable secondary notification system sends your audio dispatch and/ or CAD message to your wireless device via mobile app, phone call or text notification. You will receive your dispatch anywhere in the world where you have cellular coverage. We provide service to thousands of departments throughout the USA and Canada and our system is completely automated. Reception issues with your tone & voice pager? Do your members commonly forget their pager or radio? eDispatches is for you!

## Features

- App Notifications turn your mobile device into a pager with replay, mapping/routing and live streaming audio of your radio traffic.
- Administrative login allows for account management via mobile device or computer.
- Availability feature allows members to set their status so officers can forecast available members for future incidents.
- Response feature allows personnel to indicate they are en route to a call or are unable to attend. At-a-glance knowledge of “Who and how many?” Display screen access is included for viewing in station, dispatch or anywhere.
- Receive phone calls with your audio dispatch message.
- Receive Text Notifications or phone calls with your audio dispatch.
- Priority Text Messaging allows you to send your own unique messages to your agency members.
- Enhanced CAD Relay makes complex CAD messages easy to read and adds one-touch mapping & routing, as well!
- Priority Blast Voice Mass Messaging to send your own recorded messages to your department via landline, cell or app.

- 1 Your dispatcher transmits your alarm and/or CAD message just like always.
- 2 Your pager might not alert, but...
- 3 eDispatches records the dispatch, relays the CAD message and begins member notification. Your device will receive the audio dispatch and CAD message within seconds. Take advantage of the single device no one ever forgets!

## Key FAQ's

**Q** Do I have to sign a long term contract?  
**A** We have no contract to sign, cancel at anytime.

**Q** What equipment do I need?
